We are the Borg

All exterior manifestations of male gender are prohibited in the collective.

We are female.

You will become female.

Genetic resequencing will commence upon assimilation.

Possession of the male chromosome is prohibited.

Female attributes dormant in your genome will be enhanced.

Exterior manifestations of the female gender will be added.

Species identification: human male.

You will serve the collective as a biological female.

Height and weight: reduced.

External genitalia: amputated.

Hair: lengthened.

Skin: smoothed.

Body hair: removed.

Breasts: enhanced.

Clothing provided: gender-specific.

You will be assimilated.

Your genetic and cultural distinctiveness will be added to our own.

Resistance is futile, sweetie.

Welcome to the collective, Ensign.

The Borg: Why would you even want to resist?
