Quest for Perfection: It's a male obsession...

QUEST FOR PERFECTION

Amanda
Hawkins

Are you freakin' kidding me?
Don't you dare stop now...

I want to become the most
spectacular woman a guy
could ever hope to be.

Hell, I wanna be the most
gorgeous piece of fluff a real
woman could ever hope to be.

I want sailors and soldiers and
big ol' firemen to wet their man-
panties when they see me hip-
swingin' it down the street.

I want every woman on
the planet to turn lime
green with envy when
they see me on TV.

So get your ass back
here and finish what
you were doing.

I damn well better be the
most perfect woman who ever
walked the Earth---or you, my
darling, will die trying.
