# Irresistible: The woman within always gets her way...

*Irresistible*

Oh, shit. The crazy bitch is really gonna do it this time out....

I know she's me and I'm her, but why does my girl-self have to be so much stronger than my boy-self?

I can't stop her when she gets like this. Confident, alluring... irresistible... She pushes me a little further every time. Going out earlier, being seen, talking to people... It's like she wants to live like a real-life woman.

Before, some little flaw always made her back off. But now, everything is totally on point. Even my voice is sexy as hell. There's nothing to stop her. She's finally free.

Hmm. Nice work, Adam. The extensions blend in perfectly. Divine Aphrodites glued in place and the seams concealed. Flawless makeup...

I approve. No one could possibly know we're still hiding boy parts under these panties, and you can stop whining about how crushed they feel. It just doesn't matter.

Now that I'm running the show, and now that I look like a woman and smell like a woman, there's no way in hell you're getting me back into that suitcase before I bag some serious action... of the romantic variety.

So here's how it's gonna go down, sunshine. I'm gonna pack a purse and head out that door, and I won't be back until some nice man buys me a drink, tells me I'm the prettiest girl he's ever seen, and then turns me into the most recent notch on his headboard.

Any objections? Now's the time to bring 'em up! Yeah... I didn't think so.
